A Plus Limos is a responsible transportation provider. We are craft beer enthusiasts and support our local craft beer entrepreneurs. Furthermore, we understand the unique challenges faced by local brewers when providing quality beer in an enjoyable, peaceful environment. A Plus Limos endeavors to maintain positive working relationships with our valued local craft beer artisans. To this end, A Plus Limos agrees to:

- 1) Contact your brewery at least 2 days in advance when we plan to bring more than 4 clients to your brewery. We will use our best efforts to notify you of our time of arrival.
- 2) We will provide our clients with a copy of this agreement before tour departure.
- 3) If our clients wish to visit more than one brewery, we agree that your brewery will be number 3 or less.
- 4) We agree to prohibit consumption of distilled spirits en route.
- 5) We will encourage our clients to include food in their itinerary.
- 6) We agree to use our best efforts to ensure our clients are not obviously intoxicated or disruptive.
- 7) We agree to use our best efforts to take corrective action if your brewery notifies us of a problematic customer.
- 8) We agree to provide a copy of this agreement to our drivers.
- 9) We agree to maintain all licenses, insurances and/or bonds as required by the State of California PUC code 5384.1

Dear Clients of A Plus Limos,

All breweries welcome those interested in experiencing their unique craft beer. Unfortunately, many breweries have instituted a “no brewery tour bus” policy because of excessively loud, obnoxious behavior of a small minority of patrons. Breweries are licensed by the State of California and are expected to maintain high standards or risk losing their license. While relaxing, laughing and carousing with a few tasty craft beers is permitted, public intoxication is prohibited by law. Because of our policy, A Plus Limos is an approved brewery tour provider to many local breweries. Our craft brewery friends welcome the clients of A Plus Limos. It is ok to get relaxed and loose. We'll get you to your destination and home again, safely. We are grateful for your business and future patronage.
